## MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

It brings me immense pleasure to put forth the 09th Annual Report of your Company, **Latteys Industries Limited**, for the financial year 2021-22.

We have confident that the progress we made during FY 2021-22 put us on the right path to improve the execution of our strategy and drive sustainable profitable growth over the long term. Although the world is facing tough times ahead, your Company is well-positioned to rise.

Performance for the last financial year was in line with our expectation, where we could withstand the sharp increasing it with growth in terms of revenue and turnover. Our strategy to de-risk the business through providing qualitative products proved to be very successful.

While we have always known that each business stands uniquely apart in its thinking, objectives and resources, we believe the timing is opportunity to run them independently. The year gone by is proof of our long term innovative approach to doing business whether from the point of view strategy, operations or sustainability and various business verticals allows the company to maintain a space and remain competitive in today's ever challenging market place. After considerable thoughts, our sustainable way to move to the next level on product differentiation that will continue to be our backbone to develop market and stay true to **Latteys's** core purpose "to serve the world with a better lifestyle" by delivering best quality products of Pumps and consistently improve quality and standards for betterment of our customers.

I would like to acknowledge the hard work, dedication of our talented employees for their passion and dedication with which they continue to contribute to the culture of excellence. We thank you all for your continued support in our growth. Further also thank you, our investors, for your patience, for showing confidence and trust in management capabilities and guidance thus far and looking forward to the future with optimism and innovation.

As we move forward into our next year, may you and your family stay safe and healthy.

Warm Regards,

Sd/-  
Kapoor Chand Garg,  
Chairman & Managing Director

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

**Forward looking statement** - Statements in this Management Discussion and Analysis of Financial Condition and Results of Operations of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events.

The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company assumes no responsibility to publicly amend, modify or revise forward looking statements, on the basis of any subsequent developments, information or events. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include changes in government regulations, tax laws, economic developments within the country and such other factors globally.

Pursuant to Regulation 34 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 the Listed Companies are required to furnish Management Discussion and Analysis Report (MDAR) as a part of Director's Report to the Shareholders.

As per Schedule V of SEBI (Listing Obligations and Disclosures Requirements), Regulations, 2015, Annual Report shall contain the below points in the Management Discussion and Analysis Report (MDAR):

- Industry Structure and developments.
- Opportunities
- Risk and Concern.
- Internal Control System and their adequacy.
- Discussion on Financial performance with respect to operational performance.
- Material developments in Human Resources/ Industrial Relations front, including number of people employed.

### 1. INDUSTRY STRUCTURE AND DEVELOPMENTS

According to a published Industry report, global water pumps market is projected to surpass USD 65 billion by 2023. It is expected to grow at a CAGR of 5.9% during 2016-2022. Asia-Pacific accounted for the largest share (42.9%) in the global water pump market, and it is also anticipated to witness the highest growth (CAGR 6.6%) during 2016-2022. The water pumps market has been majorly driven by growth in the residential infrastructures

and agricultural activities especially in growing economies such as China, India and Brazil, among others. China is the

largest market for water pumps in the region. However, India is expected to witness highest growth in the near future.

(Source: <http://www.credenceresearch.com/report/water-pumpsmarket>, TechSci Research: Global Water Pumps Market Forecast and Opportunities, 2020)

The water pumps industry has been witnessing a significant growth in recent years on account of factors, including the rise in residential and commercial infrastructure in developing nations. In addition, growth in the industrial sector, power and energy and agricultural sector has also supported the demand for water pumps considerably. Various factors such as the need for more healthy and safe drinking water, water and energy conservation and growing industries have boosted the demand for new and improved water pumps. Availability of a wide variety of water pumps catering to numerous applications and evolution of products for enhanced efficiency and optimum use of power, have proven to be the key promoting factors in the water pump market. The overall water pump market is primarily driven by the consistent rise in the residential and commercial projects in developing nations such as China, India and Brazil, amongst others. Asia and Africa are expected to increase their spending on irrigation and drinking water schemes. This, in turn, is expected to drive the demand for water pumps in the regions. The impact of rising urban population on water pump market is anticipated to remain high over the next few years.

## **2. OPPORTUNITIES & THREATS OPPORTUNITIES**

Agriculture and Building Services comprise 46% of the market by value of Rs. 3910 Cr. This segment of the Indian pump market is highly fragmented as well as competitive with a large number of small and medium enterprises (SMEs) competing to increase their market share. The biggest markets for agricultural pump sets are the central Indian states of Madhya Pradesh, Maharashtra, Tamil Nadu, Karnataka and Andhra Pradesh.

### **2.1 THREATS**

Markets across the Board are seeing aggressive competition. Both domestic and global capacities out last the demand for various products and commodities. Many sectors especially in domestic market are seeing increased competition. Your Company is prudently trying to deal with this. Inward looking policies of Countries would be a threat to global market.

## **3. INTERNAL CONTROL SYSTEM**

The Company has in place an adequate system of internal control commensurate with its size and nature of its business. These have been designed to provide reasonable assurance that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly and the business operations are conducted as per the prescribed policies

and procedures of the Company. The Audit committee and the management have reviewed the adequacy of the internal control systems and suitable steps are taken to improve the same.

#### 4. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the Financial Year ended March 31, 2022, the Company's total Revenue from operations is Rs. 40,85,18,479.00/- as against Rs.. 27,09,26,557.00/- in the corresponding previous Financial Year ended March 31, 2021. # FINANCIALS & AUDITORS REPORT

## INDEPENDENT AUDITORS' REPORT

To the Members of **LATTEYS INDUSTRIES LTD**

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of **LATTEYS INDUSTRIES LTD** (“the Company”), which comprise the standalone balance sheet as at **31 March 2022**, the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31 March 2022**, profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

## **Management's and Board of Directors' Responsibilities for the Standalone Financial Statements**

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair

view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

  - d) (i) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (ii) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- e) No dividend paid by the Company during the current year or the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limits laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) of the Act which are required to be commented upon by us.

**Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

(With reference to **Annexure B** Referred to in paragraph 2(A)(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

**Opinion**

We have audited the internal financial controls with reference to standalone financial statements of **LATTEYS INDUSTRIES LTD** (“the Company”) as of **31 March 2022** in conjunction with our audit of the standalone financial statements of the Company as at and for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at **31 March 2022**, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

**Management’s and Board of Directors’ Responsibilities for Internal Financial Controls**

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

### **Meaning of Internal Financial Controls with Reference to Standalone Financial Statements**

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

### **Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements**

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS**

### **SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED ON 31.03.2022**

#### 1. Accounting Basis and Convention :

The financial statements have been prepared to comply with the Accounting Standards notified by Companies (Accounting Standards) Rules, 2015 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

#### 2. Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 3. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 4. Fixed Assets :

Fixed Assets, are stated at cost less accumulated depreciation. The cost of the assets comprise its purchase price, borrowing cost and any other cost directly attributable to bringing the asset to its working condition for its intended use. When significant parts of Property, Plant & Equipment are required to be replaced at intervals, the company recognizes such part as individual assets with specific useful lives and depreciates them accordingly. Subsequently expenditures related to an item of asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant & Equipment including day-to-day repairs and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

#### 5. Depreciation and Amortisation

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value Method based on the useful lives of respective assets as estimated by the management and/or based on the useful life prescribed in Schedule II to the Companies Act, 2013. The Identified components are depreciated over their useful lives as estimated by the management.

## **6. Inventories :**

The raw material is valued at cost and finished goods valued at cost or market price whichever is less as per last year practice.

## **7. Investments :**

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

## **8. Revenue Recognition :**

- a) Sale of Goods: Sales Revenue is recognized based on the nature of activity, when consideration can be reasonably measured and there exists reasonable certainty of its recovery and substantial risks and rewards of ownership are transferred to the buyer under the terms of the contract.
- b) Revenue from Services: Revenue from Services are accounted as and when the service is performed.
- c) Other item of income are accounted as and when right to receive arises.

## **Employee Benefit**

- i). Employee benefits of short term nature are recognized as expense as and when it accrues. Employee benefits of long term nature are recognized as expenses based on actuarial valuation using projected unit credit method.
- ii). Contributions are made to Provident Fund and Employees State Insurance as per the provisions of Provident Fund Act and ESI Act respectively and are charged to the Statement of Profit and Loss. The Company has no further obligations beyond its monthly contributions to the respective funds.

## **Borrowing Cost :**

- i). Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use.
- ii). Other Borrowing costs are recognised as expense in the period in which they are incurred.

## **Taxation :**

Income tax liability is ascertained on the basis of assessable profits computed in accordance with the provisions of Income-tax. Act, 1961. Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate

in one period and are capable of being reversal in one or more subsequent periods. Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. The Company review the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

### **Provision**

Provisions are recognised when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodied economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

### **Government grants, subsidies and export incentives**

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Government grants in the nature of promoters' contribution like investment subsidy, where no repayment is ordinarily expected in respect thereof, are treated as capital reserve. Government grants in the form of non-monetary assets, given at a concessional rate, are recorded on the basis of their acquisition cost. In case the non-monetary asset is given free of cost, the grant is recorded at a nominal value.

Other government grants and subsidies are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis.

### **Earning Per Share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

### **Research and development expenses**

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

### **Reclassification**

Previous period figures have been reclassified\regrouped, wherever necessary to conform to this year's classification. Figures have been rounded off to nearest rupee. Previous period figures are not comparable as constitute less than a year.
