

WATERING INDIA TO FLOW

LATTEYS[®]

Non Stop Watering

PUMPS | MOTORS

PRODUCT DETAILS

LATTEYS

LCM/LCM302/3HP/1St/100x100mm/#SP

Latteys Centrifugal Monoblock Pumps are manufactured as per IS: 8079. These pumps and impellers are specially designed to get the best hydraulic efficiency. At the same time, the totally enclosed fan-cooled system is suitable for conditions where there is a wide voltage fluctuation

**TECHNICAL
SPECIFICATIONS**

HP/kW	3/2.25
Stage	1
Phase	#SP
Voltage (V)	240
Speed (RPM)	2850
Suction (mm)	100
Delivery (mm)	100
Head (m)	10
Discharge (lpm)	850
Head Range (Meter)	6 - 13
MRP (Rs)	19,895

Application

1. Agriculture
2. Boosting Water Pressure
3. Domestic & Hospitality Industry
4. RO water treatments
5. Social Water Heater

Salient Feature

1. Longer product life
2. Easy to install, easy to start
3. Efficient energy saving
4. Value for money
5. 100% cost recovery in just 30 months
6. High Discharge & Suction
7. Wide Voltage Range
